I, \_\_\_\_\_ hereby request that my water unit connection,

Acct # \_\_\_\_\_ Meter # \_\_\_\_\_

Located @ \_\_\_\_\_,  
( addtn lot # or address )

Be Disconnected from Service.

I understand that I am giving up my Membership in the #12 Rural Water District and that if I ever want Water Service, I will have to re Apply to the District same as a New Member.

I will have to pay all cost as indicated in the then current District's By Laws, Rules, and Rates.

If at that time the New Application is Approved. Ability to provide service will be dependent upon the System's Capacity. Which I understand may be limited. And may require the District to make Capitol Improvements in order to deliver adequate service.

I also understand that these improvements will be at my cost.

I further represent to the District that my spouse joins me in this request to Vacate and I am authorized to execute this Request to Discontinue Service on behalf of both of us.
